

Software engineering group 3 project agenda

Meeting 1

08/10/2024 3:00pm to 4:00pm

Attendance

- Jasper
- Sebbi
- James
- Ben Geldart

Agenda

- Familiarize with each group member (ice breaker)
- Assign sub systems in a fair way to each group member

Minutes

- Each member of the group introduced each other and what sub task they would like
- A wheel was spun to give each team member their assigned sub task
